EXPERTS
YOU CAN TRUST

SAFETY GENIUS

At Safety Genius, we're proud to be a New Zealand owned and operated company, manufacturing Kiwi products for Kiwi businesses.

If you're looking for trusted experts in the safety sector who know what's needed to meet health and safety standards and to keep your staff safe, you'll find them at Safety Genius.

Our team live and breathe cost-effective and functional safety signage and solutions.

**Give the team a call today.
They're experts you can trust!**

“ We take great pride in delivering high-quality products and great service from our factory in the heart of the Waikato. ”

Darwin Ginty | GENIUS IN CHARGE

ELECTRICAL SIGNAGE AND SAFETY SOLUTIONS

From hazard signage to circuit breakers, Safety Genius provides everyday solutions for all your electrical workplace needs.

Whether it's a new installation, complicated outage, or simply routine maintenance, when it comes to working with electrical currents, we know that safety is nothing short of critical. That's why, at Safety Genius we specialise in providing practical and efficient safety systems and solutions for your workplace to minimise the risk of accident and injury.

We have an extensive electrical product range, as well as custom options on everything from floor signs to lockout tags. Whether you're a large company or sole trader, our dedicated team is committed to providing you with the best possible service. We can talk you through your options, and help you select the solutions best suited to your individual needs.

With more than 60+ years of combined experience in the safety industry, quality products that are made to last, and fast, personalised service, Safety Genius is here to help keep you, your team, and your site safe.

ELECTRICIANS STARTER PACK

SP - ES

This bundle featuring an on-site hazard board, hazard warning and a plastic floor stand is the perfect pack to get you started.

DANGER

Keep your staff and the public safe and informed with our essential range of electrical danger signage. Available in a range of sizes and materials, there are signs to suit every situation, or we can custom print your exact message.

Unless otherwise noted, all signs are available as 240 x 340, 300 x 450, 480 x 600 in rigid board or as stickers.
